

PFATS x ATP Scholarship

2027 Scholarship Application

Application Deadline:

December 15, 2026

Award Amount

\$750.00

Purpose:

The scholarship supports Athletic Training students by funding projects, research and/or education content to advance the profession.

Eligibility

- All scholarship applicants must be in the Athletic Training Program Core Faculty or have a relevant title/responsibility.
- Applications must be geared towards assisting athletic training students financially with research and/or developing educational material.
- One application submitted by the AT Program Faculty with the option of submitting multiple projects within the application. One scholarship award per Athletic Training Program.

Timeline:

- **Call for Proposals:** October 15 – December 15, 2026
- **Funding Announcement:** January 15, 2027

Selection Criteria:

Applications will be reviewed based on:

- Demonstrated financial need of the student(s).
- Quality of the student(s) educational or research project.
- Impact on the Athletic Training profession, especially at the professional level.

Conditions of the Award:

- Program core faculty may distribute funds to the identified student(s)
- The student or students must present their project or findings (in-class presentation, campus event, or professional meeting).
- Final project/report must be submitted to the PFATS x ATP Scholarship Committee.
- PFATS Foundation may share content through social media.
- Presentations must display the PFATS logo (copy from next page).
