

## **PFATS x ATP Scholarship 2026 Scholarship Application**

### **Application Deadline:**

February 15, 2026

### **Award Amount**

\$750.00

### **Purpose:**

The scholarship supports Athletic Training students by funding projects, research and/or education content to advance the profession.

### **Eligibility**

- All grant applicants must be an Athletic Training Program Clinical Coordinator or have a relevant title/responsibility.
- Applications must be geared towards assisting athletic training students financially with research and/or developing educational material.
- Only one application per school / Athletic Training Program

### **Timeline:**

- **Call for Proposals:** January 15 – February 15, 2026
- **Funding Announcement:** March 15, 2026

### **Selection Criteria:**

Applications will be reviewed based on:

- Demonstrated financial need of the student(s).
- Quality of the student(s) educational or research project.
- Impact on the Athletic Training profession, especially at the professional level.

### **Conditions of the Award:**

- Program administrators and/or coordinators may distribute funds to the identified student(s).
- Student(s) must approve the application summary.
- Student(s) must present their project or findings (class, campus event, or professional meeting).
- Final project/report must be submitted to the PFATS x ATP Scholarship Committee.
- PFATS Foundation may share content through social media.
- Presentations must display the PFATS logo (copy from next page).
